## Multi-Modal Reading: How Reading Has Changed

**THURSDAY**

February 13, 2025

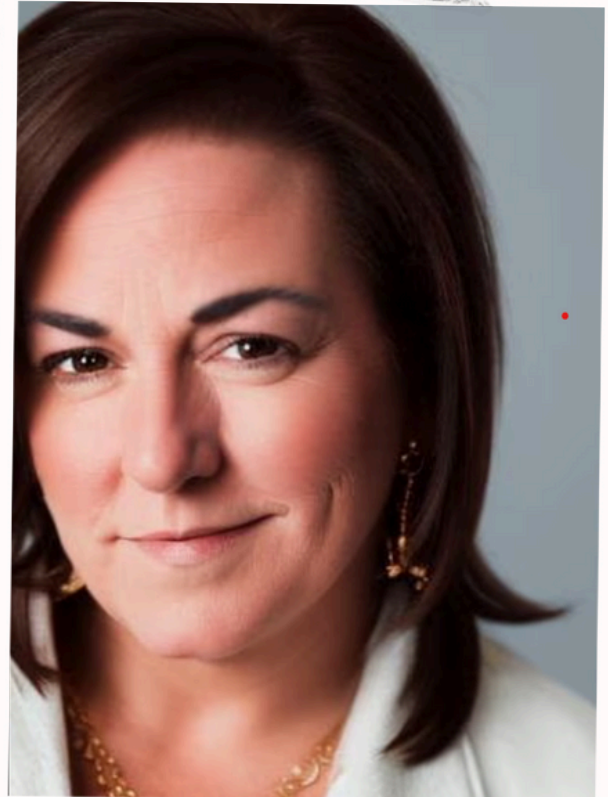

**TIME**

4:30-5:30PM (PDT)

**ZOOM**

Drawing from the work of Walter Ong, William Cope, Mary Kalantzis, and scholars of the New London Group, Angela Stockman will offer expansive definitions of writing and text beside invitations to approach reading as an embodied and richly multimodal experience. Tangible tools and strategies will be offered beside case studies that demonstrate their use, preparing all participants to return to their classrooms ready to apply this new learning.
