

Teaching ERWC in Virtual Classrooms

UPDATED!

These resources are provided to assist teachers to deliver ERWC content in a virtual classroom.

But first, please take a look at this checklist from Quality Matters, a non-profit, quality assurance organization. The checklist is designed to help you deliver effective and meaningful instruction in an online course.

[QM Online Basics Checklist \(3-minute video\)](#)

Important Note: The ERWC is the intellectual property of the California State University, and all ERWC materials are under strict copyright authorization. Links and materials available from the ERWC curriculum are for use **ONLY** by ERWC-certified professionals. That is why they are only accessible through our password-protected ERWC Community site. Please respect the integrity of the ERWC Curriculum and its corresponding professional learning commitment by never sharing the ERWC materials beyond those who have been certified as ERWC-trained professionals.

The module student versions and the reading selections may be duplicated and distributed for student use only. Posting of these materials in password-protected sites for student use is permitted.

Google Classroom

If you plan on using **Google Classroom** to deliver your content, the following resources can help you:

[Video for using ERWC materials in Google Classroom: How to Convert \(12-minute video\)](#)

Google Doc Versions of Student Versions for Grades 11 and 12

(Important! These links do not provide you with the teachers' versions or module texts. Please download these from the Modules 3.0 tab.)

The links below will take you to the Google Drive Folders that contains several of the

Teaching ERWC in Virtual Classrooms

UPDATED!

ERWC modules for grades 11 and 12. These are student documents only. Please download the teacher versions and readings from the [ERWC Online Community](#).

[Mini-Modules: ERWC Hub for Google Docs \(Student Versions\)](#) Here you will find the links to the Google Drive Folders for several of the ERWC mini-modules. The mini-modules can be used for Grade 11 OR Grade 12.

[Grade 11: ERWC Hub for Google Docs \(Student Versions\)](#) Here you will find the links to the Google Drive Folders for several of the ERWC Grade 11 modules.

[Grade 12: ERWC Hub for Google Docs \(Student Versions\)](#) Here you will find the links to the Google Drive Folders for several of the ERWC Grade 12 modules.

Please continue to check these Google Doc hubs in the future because additional Google Doc versions will be made available over the coming weeks.

Learning Management System (LMS) Files

A few modules have been adapted for the three learning management systems below. It is recommended that you choose just one or two modules to use during your school closure. (These modules have been modified by Lori Campbell. As such, they may not appear exactly as you would see them through the ERWC Community site.) The link below provides instructions explaining how to download them.

If your institution uses any of the following learning management systems, you will be able to import modules created for them:

- Blackboard
- Canvas
- Moodle

[The Google Folder linked here](#) contains importing instructions as well as the imsc files that are available.

The files in these folders can only be imported into the applications listed above. Do not attempt to open it! Only download this to your desktop. It is a large file.
