2023 ERWC LITERACY CONFERENCE “DOING LANGUAGE”

“This is precisely the time when artists go to work. There is no time for despair, no time for self-pity, no need for silence, no room for fear. We speak, we write, we do language. That is how civilizations heal.” – Toni Morrison

Celebrating 20 years of ERWC!

Keynote Speaker: Lamar L. Johnson

Author of Critical Race English Education

Please join us for the annual ERWC Literacy Conference as we celebrate two decades as a community of practice. Mark your calendar now for the conference in your region. You do not want to miss this exciting professional opportunity. All are welcome, so invite some colleagues and join us this summer!
